

SIMS - Multiple Sclerosis (MS)

Researchers at the University of Southampton are looking for people with a diagnosis of Progressive MS able to travel to the Wessex Neurological Centre at SGH. The study is exploring the effects of infections on progression of MS over a 2.5yr period. It is funded by the Multiple Sclerosis society.

For more information if you would like to participate please contact the study team on SIMS@soton.ac.uk or 07867142277
